SWYDDOGOL OFFICIAL

Mr Tait,

I am a Police Officer in the Ammanford Neighbourhood Policing Team and work with PCSO 8087 Alex Mullock who I understand your partner has spoken with.

We have been made aware of several of your concerns, which have come to light from your contact with senior Officers within Dyfed Powys Police and other Police Forces.

This specifically included a letter/witness statement you sent to a Bristol Police Station in Avon & Somerset Police, which you've dated 8th October 2018.

PCSO MULLOCK and I have been making enquiries in relation to the concerns you listed within this witness statement.

I therefore wished to provide you with an update.

In relation to 22 College Street

On Friday 23rd November 2018, I was able to gain full access to 22 College Street and made my way throughout the whole building.

I can confirm to you that the building is an empty shell, which has been fully refurbished.

The building is completely empty. There are no pieces of machinery or tools of any kind, nothing that would cause any form of noise or noise nuisance.

Nor was there any signs to show that any form of large or unusual machinery had ever been present at the address.

No one is living at or staying in the building.

There were no tunnels or similar at the address or doors which would give access to such a tunnel, I was able to get full access to the building.

The owners have been spoken to in relation to machinery previously used during the refurbishment.

Refurbishment has clearly taken place to the building, however, No large or heavy machinery was used, simply handheld tools.

The Estate Agents John Francis have also been spoken with.

In relation to smells of Gas or similar

Carmarthenshire County Councils Environmental Health have been spoken to.

They have looked into the matter and have advised that there are no issues.

Whilst at the address and around 22 College Street, I personally couldn't smell anything gas like or anything out of the ordinary.

In relation to Ammanford Park, the old Citizens Advice building and the Chapel on Iscennen Road

PCSO Mullock and a colleague have attended all three locations.

Despite a thorough search, the Officers were unable to find any form of entrance to any tunnel or similar.

In relation to the list of noises heard on the recordings you detail in the witness statement dated 8th October 2018

The 34 noises you described in the letter appear to be general background noises, which would be expected to be heard within the town centre in and around your home address, none of these noises listed cause me any immediate concern.

No concerns similar have been raised by owners/occupiers of the surrounding buildings or College Street as a whole.

I cannot comment on the civil property rights issue you mention, I would suggest you seek legal advice in relation to that.

I hope that this provides some reassurance and will allow you both to return safely to your home address.

Regards, Tom

In relation to Ammanford Park, the old Citizens Advice building and the Chapel on Iscennen Road – PCSO Mullock and a colleague have attended all three locations. Despite a thorough search - The Officers were unable to find any form of entrance to any tunnel or similar.

In relation to the list of noises heard on the recordings you detail in the witness statement dated 8th October 2018 – The 34 noises you described in the letter appear to be general background noises, which would be expected to be heard within the town centre in and around your home address. None of these noises listed cause me any immediate concern.

No concerns similar have been raised by owners/occupiers of the surrounding buildings or College Street as a whole.

I cannot comment on the civil property rights issue you mention. I would suggest you seek legal advice in relation to that.

I hope that this provides some reassurance and will allow you both to return safely to your home address.

Regards,

Tom
